Determination of the services that are needed shall be based on a comprehensive assessment of the Member's needs and the availability of Natural Supports and other (non-TennCare reimbursed) services to meet identified needs which shall be conducted by the Member's Care Coordinator.

Items (I), (II) and (III) of Subart (i) of Part 3. of Subparagraph (c) of Paragraph (4) of Rule 1200-13-01-.05 TennCare CHOICES Program are deleted in their entirety and replaced with new Items (I), (II) and (III) which shall read as follows:

- (I) A Member who would qualify only for Level 1 NF reimbursement shall have a Cost Neutrality Cap set at the average Level 1 cost of NF care.
- (II) A Member who would qualify for Level 2 NF reimbursement shall have a Cost Neutrality Cap set at the average Level 2 cost of NF care.
- (III) A Member who would qualify for the Enhanced Respiratory Care Reimbursement for persons who are chronically ventilator dependent, or for persons who have a functioning tracheostomy that requires frequent suctioning through the tracheostomy will have a Cost Neutrality Cap that reflects the higher payment that would be made to the NF for such care. There is no Cost Neutrality Cap for Ventilator Weaning Reimbursement, as such service is available only on a short-term basis in a SNF or acute care setting.

Subart (iii) of Part 3. of Subparagraph (c) of Paragraph (4) of Rule 1200-13-01-.05 TennCare CHOICES Program is deleted in its entirety and replaced with a new Subpart (iii) which shall read as follows:

- (iii) A Member's Individual Cost Neutrality Cap shall be the average Level 1 cost of NF care unless a higher Cost Neutrality Cap is established based on information submitted in the PAE application.

Part 4. of Subparagraph (c) of Paragraph (4) of Rule 1200-13-01-.05 TennCare CHOICES Program is deleted in its entirety and replaced with a new Part 4. which shall read as follows:

4. Application of the Individual Cost Neutrality Cap.
 - (i) The annual Cost Neutrality Cap shall be applied on a calendar year basis. The Bureau and the MCOs will track utilization of CHOICES HCBS, HH services, and PDN services across each calendar year.

- (ii) A Member's Individual Cost Neutrality Cap must also be applied prospectively on a twelve (12) month basis. This is to ensure that a Member's POC does not establish a threshold level of supports that cannot be sustained over the course of time. This means that, for purposes of care planning, the MCO will always project the total cost of all CHOICES HCBS (including one-time costs such as Minor Home Modifications, short-term services or short-term increases in services) and HH and PDN Services forward for twelve (12) months in order to determine whether the Member's needs can continue to be safely and cost-effectively met based on the most current POC that has been developed. The cost of one-time services such as Minor Home Modifications, short-term services or short-term increases in services must be counted as part of the total cost of HCBS for a full twelve (12) month period following the date of service delivery.
- (iii) If it can be reasonably anticipated, based on the CHOICES HCBS, HH and PDN services currently received or determined to be needed in order to safely meet the person's needs in the community, that the person will exceed his Cost Neutrality Cap, then the person does not qualify to enroll in or to remain enrolled in CHOICES Group 2.

Subpart (i) and introductory Subpart (ii) of Part 5. of Subparagraph (c) of Paragraph (4) of Rule 1200-13-01-.05 TennCare CHOICES Program are amended by replacing the word "applicant" with the word "Applicant" so as amended Subpart (i) and introductory Subpart (ii) shall read as follows:

- (i) A Member has a right to due process regarding his Individual Cost Neutrality Cap when services are denied or reduced, when a determination is made that an Applicant cannot be enrolled into CHOICES, or a currently enrolled CHOICES Member can no longer remain enrolled in CHOICES because his needs cannot be safely and effectively met in the home and community-based setting at a cost that does not exceed his Individual Cost Neutrality Cap.
- (ii) When an adverse action is taken, notice of action shall be provided, and the Applicant or Member shall have the right to a fair hearing regarding any valid factual dispute pertaining to such action, which may include, but is not limited to, whether his Cost Neutrality Cap was calculated appropriately

Emergency Rule Item (I) of Subpart (ii) of Part 5. of Subparagraph (c) of Paragraph (4) of Rule 1200-13-01-.05 TennCare CHOICES Program is deleted in its entirety and replaced with Rulemaking Hearing Rule Item (I) which shall read as follows:

- (I) Denial of or reductions in CHOICES HCBS based on a Member's Cost Neutrality Cap shall constitute an adverse action under the Grier Revised Consent Decree (Modified), as defined in Rules 1200-13-13-.01 and 1200-13-14-.01, and shall give rise to Grier notice of action and due process rights to request a fair hearing in accordance with Rules 1200-13-13-.11 and 1200-13-14-.11.

Subparagraph (d) of Paragraph (4) of Rule 1200-13-01-.05 TennCare CHOICES Program is deleted in its entirety and replaced with a new Subparagraph (d) which shall read as follows:

(d) Enrollment Target for CHOICES Group 2.

1. There shall be an Enrollment Target for CHOICES Group 2. The Enrollment Target functions as a cap on the total number of persons who can be enrolled into CHOICES Group 2 at any given time.
 - (i) Effective July 1, 2012, the Enrollment Target for CHOICES Group 2 will be twelve thousand five hundred (12,500).
 - (ii) Once the Enrollment Target (including Reserve Capacity as defined in 1200-13-01-.02 and as described in 1200-13-01-.05(d)(2)) is reached, qualified Applicants shall not be enrolled into CHOICES Group 2 or qualify in the CHOICES 217-Like eligibility category based on receipt of HCBS until such time that capacity within the Enrollment Target is available, with the following exceptions:

- (I) NF-to-Community Transitions. A Member being served in CHOICES Group 1 who meets requirements to enroll in CHOICES Group 2 can enroll in CHOICES Group 2 even though the Enrollment Target has been met. This Member will be served in CHOICES Group 2 outside the Enrollment Target but shall be moved within the CHOICES Enrollment Target at such time that a slot becomes available. A request to transition a Member from CHOICES Group 1 to CHOICES Group 2 in excess of the CHOICES Group 2 Enrollment Target must specify the name of the NF where the Member currently resides, the date of admission and the planned date of transition.
- (II) CEA Enrollment. An MCO with an SSI-eligible recipient who meets all other criteria for enrollment into CHOICES Group 2, but who cannot enroll in CHOICES Group 2 because the Enrollment Target for that group has been met, has the option, at its sole discretion, of offering HCBS as a CEA to the Member. Upon receipt of satisfactory documentation from the MCO of its CEA determination and assurance of provider capacity to meet the Member's needs, the Bureau will enroll the person into CHOICES Group 2, regardless of the Enrollment Target. The person will be served in CHOICES Group 2 outside the Enrollment Target, but shall be moved within the CHOICES Group 2 Enrollment Target at such time that a slot becomes available. Satisfactory documentation of the MCO's CEA determination shall include an explanation of the Member's circumstances that warrant the immediate provision of NF services unless HCBS are immediately available. Documentation of adequate provider capacity to meet the Member's needs shall include a listing of providers for each HCBS in the Member's POC which the MCO has confirmed are willing and able to initiate HCBS within ten (10) business days of the Member's enrollment into CHOICES Group 2.
- (III) If enrollment into CHOICES Group 2 is denied because the Enrollment Target has been reached, notice shall be provided to the Applicant, including the right to request a fair hearing regarding any valid factual dispute pertaining to the Bureau's decision. If the person otherwise qualifies for enrollment into CHOICES Group 2, but does not meet the exceptions specified in 1200-13-01-.05(4)(d)(1)(ii), the Applicant shall be placed on a Waiting List for CHOICES Group 2.
- (IV) Once the CHOICES Group 2 Enrollment Target is reached, any persons enrolled in excess of the Enrollment Target in accordance with this Rule must receive the first available slots. Only after all persons enrolled in excess of the Enrollment Target have been moved under the Enrollment Target can additional persons be enrolled into CHOICES Group 2.

2. Reserve Capacity.

- (i) The Bureau shall reserve three hundred (300) slots within the CHOICES Group 2 Enrollment Target. These slots are available only when the Enrollment Target has otherwise been reached, and only to the following:
 - (I) Applicants being discharged from a NF; and
 - (II) Applicants being discharged from an acute care setting who are at imminent risk of being placed in a NF setting absent the provision of HCBS.
- (ii) Once all other available (i.e., unreserved) slots have been filled, Applicants who meet specified criteria (including new Applicants seeking to establish eligibility in the CHOICES 217-Like Group as well as current SSI-eligible individuals seeking enrollment into CHOICES Group 2) may be enrolled into reserved slots. TennCare may require confirmation of the NF or hospital discharge and in the case of hospital discharge, written explanation of the Applicant's circumstances that warrant the immediate provision of NF services unless HCBS are immediately available.

- (iii) If enrollment into a Reserve Capacity slot is denied, notice shall be provided to the Applicant, including the right to request a fair hearing regarding any valid factual dispute pertaining to the Bureau's decision. If the person otherwise qualifies for enrollment into CHOICES Group 2, but does not meet the specified criteria for Reserve Capacity, the Applicant shall be placed on a Waiting List for CHOICES Group 2.

Emergency Rules Subparagraphs (e), (f), and (g) of Paragraph (4) of Rule 1200-13-01-.05 TennCare CHOICES Program are deleted in their entirety and replaced with Rulemaking Hearing Rule Subparagraphs (e), (f), and (g) which shall read as follows:

- (e) Enrollment into CHOICES Group 3. To qualify for enrollment into CHOICES Group 3 (including Interim CHOICES Group 3):
 - 1. An individual must be in one of the target populations specified in this Rule;
 - 2. An individual must be At Risk for Institutionalization, as defined in Rule 1200-13-01-.02;
 - 3. An individual must be approved by DHS for reimbursement of LTSS services as an SSI recipient or for Interim CHOICES Group 3 only, in the CHOICES At-Risk Demonstration Group, as defined in Rule 1200-13-01-.02. To be eligible in the CHOICES At-Risk Demonstration Group, an individual must be enrolled in Interim CHOICES Group 3, subject to determination of categorical and financial eligibility by DHS;
 - 4. The Bureau must have received a determination by the MCO that the individual's needs can be safely and appropriately met in the community, and at a cost that does not exceed his Expenditure Cap, as described in this Rule, except in instances where the person is not eligible for TennCare at the time of CHOICES application, in which case, such determination shall be made by the MCO upon enrollment into CHOICES Group 3; and
 - 5. There must be capacity within the established Enrollment Target, as applicable, to enroll the individual in accordance with this Rule.
- (f) Expenditure Cap for CHOICES Group 3.
 - 1. Each Member enrolling or enrolled in CHOICES Group 3 shall be subject to an Expenditure Cap on CHOICES HCBS. The Expenditure Cap shall be used to determine:
 - (i) Whether or not an Applicant qualifies to enroll in CHOICES Group 3;
 - (ii) Whether or not a Member qualifies to remain enrolled in CHOICES Group 3; and
 - (iii) The total cost of CHOICES HCBS a Member can receive while enrolled in CHOICES Group 3, excluding the cost of Minor Home Modifications. The Expenditure Cap functions as a limit on the total cost of CHOICES HCBS, excluding Minor Home Modifications, that can be provided by the MCO to the Member in the home or community setting.
 - 2. A Member is not entitled to receive services up to the amount of the Expenditure Cap. A Member shall receive only those services that are medically necessary (i.e., required in order to help ensure the Member's health, safety and welfare in the home or community setting and to delay or prevent the need for NF placement). Determination of the services that are needed shall be based on a comprehensive assessment of the Member's needs and the availability of Natural Supports and other (non-TennCare reimbursed) services to meet identified needs, which shall be conducted by the Member's Care Coordinator.
 - 3. The Expenditure Cap for CHOICES HCBS provided to CHOICES Group 3 Members shall be \$15,000 (fifteen thousand dollars) annually, excluding the cost of Minor Home Modifications.
 - 4. Application of the Expenditure Cap.

- (i) The annual Expenditure Cap shall be applied on a calendar year basis. The Bureau and the MCOs will track utilization of CHOICES HCBS excluding Minor Home Modifications, across each calendar year.
 - (ii) A Member's Expenditure Cap must also be applied prospectively on a twelve (12) month basis. This is to ensure that a Member's POC does not establish a threshold level of supports that cannot be sustained over the course of time. This means that, for purposes of care planning, the MCO will always project the total cost of CHOICES HCBS (excluding Minor Home Modifications) forward for twelve (12) months in order to determine whether the Member's needs can continue to be met based on the most current POC that has been developed. The cost of one-time services such as short-term services or short-term increases in services must be counted as part of the total cost of CHOICES HCBS for a full twelve (12) month period following the date of service delivery.
 - (iii) If it can be reasonably anticipated, based on the CHOICES HCBS currently received or determined to be needed (in addition to non-CHOICES HCBS available through TennCare, e.g., home health, services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers) in order to safely meet the person's needs in the community, that the person will exceed his Expenditure Cap, then the person does not qualify to enroll in or to remain enrolled in CHOICES Group 3.
 - (iv) Any Short-Term NF Care received by a Member enrolled in CHOICES Group 3 shall not be counted against his Expenditure Cap.
- (g) Enrollment Target for CHOICES Group 3 (including Interim CHOICES Group 3).
- 1. The State may establish an Enrollment Target for CHOICES Group 3 which shall be at least ten (10) percent of the Enrollment Target established by the State for CHOICES Group 2.
 - 2. Notwithstanding any Enrollment Target established for CHOICES Group 3 as described in this subparagraph, Interim CHOICES Group 3 which is open for enrollment between July 1, 2012, and December 31, 2013, shall not be subject to an Enrollment Target.

Paragraph (5) of Rule 1200-13-01-.05 TennCare CHOICES Program is deleted in its entirety and replaced with a new Paragraph (5) which shall read as follows:

- (5) Disenrollment from CHOICES. A Member may be disenrolled from CHOICES voluntarily or involuntarily.
- (a) Voluntary disenrollment from CHOICES means the Member has chosen to disenroll, and no notice of action shall be issued regarding a Member's decision to voluntarily disenroll from CHOICES. However, notice shall be provided regarding any subsequent adverse action that may occur as a result of the Member's decision, including any change in benefits, cost-sharing responsibility, or continued eligibility for TennCare when the Member's eligibility was conditioned on receipt of LTSS. Voluntary disenrollment shall proceed only upon:
 - 1. Discharge from a NF when the Member is not transitioning to CHOICES Group 2 or CHOICES Group 3, as described in these rules;
 - 2. Election by the Member to receive hospice services in a NF, which is not a LTSS; or
 - 3. Receipt of a statement signed by the Member or his authorized Representative voluntarily requesting disenrollment.
 - (b) A Member may be involuntarily disenrolled from CHOICES only by the Bureau, although such process may be initiated by a Member's MCO. Reasons for involuntary disenrollment include but are not limited to:
 - 1. The Member no longer meets one or more criteria for eligibility and/or enrollment as specified in this Rule.

2. The Member's needs can no longer be safely met in the community. This may include but is not limited to the following instances:
 - (i) The home or home environment of the Member becomes unsafe to the extent that it would reasonably be expected that HCBS could not be provided without significant risk of harm or injury to the Member or to individuals who provide covered services to the Member.
 - (ii) The Member or his caregiver refuses to abide by the POC or Risk Agreement.
 - (iii) Even though an adequate provider network is in place, there are no providers who are willing to provide necessary services to the Member.
 - (iv) The Member refuses or fails to sign a Risk Agreement, or the Member's decision to continue receiving services in the home or community poses an unacceptable level of risk.
3. The Member's needs can no longer be safely met in the community at a cost that does not exceed the Member's Cost Neutrality Cap or Expenditure Cap, as applicable and as described in this Rule.
4. The Member no longer needs or is no longer receiving LTSS.
5. The Member has refused to pay his Patient Liability. The MCO and/or its participating providers are unwilling to serve the Member in CHOICES because he has not paid his Patient Liability, and/or no other MCO is willing to serve the Member in CHOICES.

Emergency Rule Paragraph (6) of Rule 1200-13-01-.05 TennCare CHOICES Program is deleted in its entirety and replaced with Rulemaking Hearing Rule Paragraph (6) which shall read as follows:

- (6) Advance Determinations that an Applicant Would Not Qualify to Enroll in CHOICES Group 3 (including Interim CHOICES Group 3).
 - (a) For purposes of the Need for Inpatient Nursing Care, Effective July 1, 2012, as specified in TennCare Rule 1200-13-01-.10(4)(b)(2)(i)(II) and 1200-13-01-.10(4)(b)(2)(ii)(II), Advance Determination by TennCare that a CHOICES Applicant would not qualify for enrollment into CHOICES Group 3 shall be made only if all of the following criteria are met:
 1. The Applicant has a total acuity score of at least six (6) but no more than eight (8);
 2. The Applicant has an individual acuity score of at least three (3) for the Orientation measure;
 3. The Applicant has an individual acuity score of at least two (2) for the Behavior measure;
 4. The absence of intervention and supervision for dementia-related behaviors at the frequency specified in the PAE would result in imminent and serious risk of harm to the Applicant and/or others (documentation of the specific behaviors, the frequency of such behaviors, and the imminence and seriousness of risk shall be required); and
 5. There is sufficient evidence, as required and determined by TennCare, to demonstrate that the necessary intervention and supervision needed by the person cannot be safely provided within the array of services and supports that would be available if the Applicant was enrolled in CHOICES Group 3, including CHOICES HCBS up to the Expenditure Cap of \$15,000, non-CHOICES HCBS available through TennCare (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers.
 - (b) Documentation required to support an Advance Determination for Applicants enrolled in TennCare shall include all of the following:

1. A comprehensive needs assessment performed by an MCO Care Coordinator pursuant to requirements set forth in the MCO's Contractor Risk Agreement, including:
 - (i) An assessment of the Member's physical, behavioral, functional, and psychosocial needs;
 - (ii) An assessment of the Member's home environment in order to identify any modifications that may be needed, and to identify and address any issues that may affect the Member's ability to be safely served in the community;
 - (iii) An assessment of the Member's Natural Supports, including care being provided by family members and/or other caregivers, and LTSS the Member is currently receiving (regardless of payer), and whether there is any anticipated change in the Member's need for such care or services or the availability of such care or services from the current caregiver or payer; and
 - (iv) An assessment of the physical health, behavioral health, and LTSS and other social support services and assistance (e.g., housing or income assistance) that are needed to ensure the Member's health, safety and welfare in the community and to prevent the need for institutional placement. Such assessment shall specify the specific tasks and functions for which assistance is needed by the Member, the frequency with which such tasks must be performed, and the amount of paid assistance necessary to perform these tasks;
 2. A person-centered plan of care developed by the MCO Care Coordinator which specifies the CHOICES HCBS that would be necessary and that would be approved by the MCO to safely support the person in the community, as well as non-CHOICES HCBS available through TennCare (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers (or attestation that the person could not be safely supported in the community with *any* combination of services and supports, as applicable);
 3. An explanation regarding why an array of covered services and supports, including CHOICES HCBS up to the Expenditure Cap of \$15,000 and non-CHOICES HCBS (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers would not be sufficient to safely meet the person's needs in the community;
 4. A detailed explanation of:
 - (i) The Member's living arrangements and the services and supports the Member has received for the six (6) months prior to application for CHOICES, including non-CHOICES HCBS available through TennCare (e.g., home health), services available through Medicare, private insurance or other funding sources, and unpaid supports provided by family members and other caregivers; and
 - (ii) Any recent significant event(s) or circumstances that have impacted the Applicant's need for services and supports, including how such event(s) or circumstances would impact the person's ability to be safely supported within the array of covered services and supports that would be available if the person were enrolled in CHOICES Group 3.
- (c) Documentation required to support an Advance Determination for Applicants not enrolled in TennCare at the time the PAE is submitted shall include all of the items specified in Subparagraph (b) above, except as follows:
1. A comprehensive assessment, including an assessment of the Applicant's home environment, performed by the AAAD, or the most recent MDS assessment performed by a Nursing Facility contracted with one or more TennCare MCOs may be submitted in lieu of the MCO comprehensive needs assessment specified in Part (b)1. above.

2. The person-centered plan of care as described in Part (b)2. above shall not be required.

Emergency Rule Paragraph (7) of Rule 1200-13-01-.05 TennCare CHOICES Program is deleted in its entirety and replaced with Rulemaking Hearing Rule Paragraph (7) which shall read as follows:

(7) Transitioning Between CHOICES Groups.

(a) Transition from Group 1 to Group 2.

1. An MCO may request to transition a Member from Group 1 to Group 2 only when the Member chooses to transition from the NF to an HCBS setting. Members shall not be required to transition from Group 1 to Group 2. Only an MCO may submit to TennCare a request to transition a Member from Group 1 to Group 2.
2. A Member that has already been discharged from the NF shall not be transitioned to CHOICES Group 2. Once a Member has discharged from the NF, he has voluntarily disenrolled from CHOICES Group 1 and must be newly enrolled into CHOICES Group 2. A new PAE shall be required for enrollment into CHOICES Group 2.
3. When Members move from Group 1 to Group 2, DHS must recalculate the Member's Patient Liability based on the Community PNA.

(b) Transition from Group 2 to Group 1. An MCO may request to transition a Member from Group 2 to Group 1 only under the following circumstances:

1. Except as provided in TennCare Rule 1200-13-01-.05(3)(b)(6), the Member meets the NF LOC criteria in place at the time of enrollment into CHOICES Group 1, and at least one (1) of the following is true;
 - (i) The Member chooses to transition from HCBS to NF, for example, due to a decline in the Member's health or functional status, or a change in the Member's natural caregiving supports; or
 - (ii) The MCO has made a determination that the Member's needs can no longer be safely met in the community and at a cost that does not exceed the average cost of NF services for which the Member would qualify, and the Member chooses to transition to the more appropriate institutional setting in order to safely meet his needs.
2. When Members move from Group 2 to Group 1, DHS must recalculate the Member's Patient Liability based on the Institutional PNA.

(c) At such time as a transition between CHOICES Groups 1 and 2 is made, the MCO shall issue notice of transition to the Member. Because the Member has elected the transition and remains enrolled in CHOICES, such transition between CHOICES groups shall not constitute an adverse action. Thus, the notice will not include the right to appeal or request a fair hearing regarding the Member's decision.

(d) Transition from Group 1 or Group 2 to Group 3.

1. The Bureau or the MCO shall, subject to eligibility and enrollment criteria set forth in TennCare Rule 1200-13-01-.05(3) and (4), initiate a transition from Group 1 or from Group 2 to Group 3 when a Member who was enrolled in CHOICES Group 1 or Group 2 on or after July 1, 2012, no longer meets NF LOC, but is At Risk for Institutionalization as defined in Rule 1200-13-01-.02.
2. A Member that has already been discharged from the NF shall not be transitioned from CHOICES Group 1 to CHOICES Group 3. Once a Member has discharged from the NF, he has voluntarily disenrolled from CHOICES Group 1 and must be newly enrolled into CHOICES Group 3. A new PAE shall be required for enrollment into CHOICES Group 3.

3. When a Member transitions from CHOICES Group 1 to Group 3, DHS must recalculate the Member's Patient Liability based on the Community PNA.
- (e) Transition from Group 3 to Group 1 or Group 2.
1. The Bureau or the MCO shall initiate a transition from Group 3 to Group 1 or Group 2, as appropriate, when the Member meets NF LOC in place at the time of the transition request and satisfies all requirements for enrollment into the requested Group.
 2. When a member transitions from Group 3 to Group 1, DHS must recalculate the Member's Patient Liability based on the Institutional PNA.

Paragraph (8) of Rule 1200-13-01-.05 TennCare CHOICES Program is deleted in its entirety and replaced with new Paragraph (8) which shall read as follows:

(8) Benefits in the TennCare CHOICES Program.

- (a) CHOICES includes NF care and CHOICES HCBS benefits, as described in this Chapter. Pursuant to federal regulations, NF services must be ordered by the treating physician. A physician's order is not required for CHOICES HCBS.

- (k) All LTSS, NF services as well as CHOICES HCBS, must be authorized by the MCO in order for MCO payment to be made for the services. An MCO may elect to accept the Bureau's PAE determination as its prior authorization for NF services. NF care may sometimes start before authorization is obtained, but payment will not be made until the MCO has authorized the service. CHOICES HCBS must be specified in an approved POC and authorized by the MCO prior to delivery of the service in order for MCO payment to be made for the service.
- (l) CHOICES HCBS covered under TennCare CHOICES and applicable limits are specified below. The benefit limits are applied across all services received by the Member regardless of whether the services are received through CD and/or a traditional provider agency. - (m) Applicants who qualify as "Immediate Eligibles" are eligible only for Specified CHOICES HCBS, as defined in these rules. Immediate Eligibles are not eligible for any other TennCare benefits, including other CHOICES benefits. The benefit limits are the same as those specified in Subparagraph (l) above. When the limit is an annual limit, the services used in the Immediate Eligibility period count against the annual limit if the Applicant should become eligible for TennCare. These Specified CHOICES HCBS, are listed below.

1. Personal Care Visits.
2. Attendant Care.
3. Home-Delivered Meals.
4. PERS.
5. Adult Day Care.

- (n) Transportation.

1. Emergency and non-emergency transportation for TennCare covered services other than CHOICES services is provided by the MCOs in accordance with Rules 1200-13-13-.04 and 1200-13-14-.04.
2. Transportation is not provided to HCBS covered by CHOICES, except in the circumstance where a Member requires Adult Day Care that is not available within 30 miles of the Member's residence.

For CHOICES Members not participating in CD, provider agencies delivering CHOICES HCBS may permit staff to accompany a Member outside the home. In circumstances where the Member is unable to drive, assistance by provider agency staff in performing IADLs (e.g., grocery shopping, picking up prescriptions, banking) specified in the POC may include transporting the Member when such assistance would otherwise be performed for the Member by the provider staff, and subject to the provider agency's agreement and responsibility to ensure that the Worker has a valid driver's license and proof of insurance prior to transporting a Member. The decision of whether or not to accompany the Member outside the home (and in the circumstances described above, to transport the Member) is at the discretion of the agency/Worker, taking into account such issues as the ability to safely provide services outside the home setting, the cost involved, and the provider's willingness to accept and manage potential risk and/or liability. In no case will additional hours of service and/or an increased rate of reimbursement be provided as a result of an agency/Worker decision to accompany or transport a Member outside the home.

3. For CHOICES Members participating in CD, the Member may elect to have his Consumer-Directed Workers (including Companion Care workers) to accompany and/or transport the Member if such an arrangement is agreed to by both the Member and the Workers and specified in the Service Agreement; however, no additional hours or reimbursement will be available. Consumer-Directed Worker(s) must provide to the FEA a valid driver's license and proof of insurance prior to transporting a Member.

(o) Freedom of Choice.

1. CHOICES Members who meet NF LOC as defined in Rule 1200-13-01-.10 shall be given freedom of choice of NF care or CHOICES HCBS, so long as the Member meets all criteria for enrollment into CHOICES Group 2, as specified in this Chapter and the Member may be enrolled into CHOICES Group 2 in accordance with requirements pertaining to the CHOICES Group 2 Enrollment Target as described in this Chapter.
2. CHOICES Members shall also be permitted to choose providers for CHOICES HCBS specified in the POC from the MCO's list of participating providers, if the participating provider selected is available and willing to initiate services timely and to deliver services in accordance with the POC. The Member is not entitled to receive services from a particular provider. A Member is not entitled to a fair hearing if he is not able to receive services from the provider of his choice.

(p) Transition Allowance. For CHOICES Members moving from CHOICES 1 to CHOICES 2 or CHOICES 3, the MCO may, at its sole discretion, provide a Transition Allowance not to exceed two thousand dollars (\$2,000) per lifetime as a CEA to facilitate transition of the Member from the NF to the community. An MCO shall not be required to provide a Transition Allowance, and Members transitioning out of a NF are not entitled to receive a Transition Allowance, which is not a covered benefit. Items that an MCO may elect to purchase or reimburse are limited to the following:

1. Those items which the Member has no other means to obtain and which are essential in order to establish a community residence when such residence is not already established and to facilitate the person's safe and timely transition;

Emergency Rule 1200-13-01-.08 Personal Needs Allowance (PNA), Patient Liability, Third Party Insurance and Estate Recovery for Persons Receiving LTC is deleted in its entirety and replaced with Rulemaking Hearing Rule 1200-13-01-.08 which shall read as follows:

1200-13-01-.08 PERSONAL NEEDS ALLOWANCE (PNA), PATIENT LIABILITY, THIRD PARTY INSURANCE AND ESTATE RECOVERY FOR PERSONS RECEIVING LTSS.

- (1) Personal Needs Allowance (PNA). The PNA is established for each Enrollee receiving LTSS in accordance with the Tennessee Medicaid State Plan, approved Section 1915(c) Waiver applications, and these rules. It is deducted from the Enrollee's monthly income in calculating Patient Liability for LTSS.
 - (a) The PNA for each person receiving TennCare-reimbursed services in a NF or an ICF/MR is \$50. Persons with no income have no PNA. Persons with incomes that are less than \$50 per month (including institutionalized persons receiving SSI payments) may keep the entire amount of their income as their PNA.
 - (b) The maximum PNA for persons participating in CHOICES Group 2 or CHOICES Group 3 is 300% of the SSI FBR.

- (c) The maximum PNA for persons participating in one of the State's Section 1915(c) HCBS Waivers is as follows:

1. The Statewide MR Waiver: 200% of the SSI FBR.
2. The Arlington MR Waiver: 200% of the SSI FBR.
3. The Self-Determination MR Waiver: 300% of the SSI FBR.

(2) Patient Liability.

- (a) Enrollees receiving LTSS are required to contribute to the cost of their LTSS if their incomes are at certain levels. They are subject to the post-eligibility treatment of income rules set forth in Section 1924 of the Social Security Act (42 U.S.C.A. § 1396r-5), and 42 C.F.R. § 435.725.
- (b) For Enrollees being served in HCBS Waivers, the State must also use institutional eligibility and post-eligibility rules for determining Patient Liability.
- (c) For Members of the CHOICES 217-Like Group and the CHOICES At-Risk Demonstration Group, the State uses institutional eligibility and post-eligibility rules for determining Patient Liability in the same manner as specified under 42 C.F.R. §§ 435.217, 435.236, and 435.726 and Section 1924 of the Social Security Act (42 U.S.C.A. § 1396r-5), if the HCBS were provided under a Section 1915(c) Waiver.
- (d) For a Member of CHOICES Group 2 or CHOICES Group 3 receiving the Short-Term NF Care benefit (for up to 90 days) or an Enrollee in one of the State's Section 1915(c) Waiver programs who is temporarily placed in a medical institution, i.e., a hospital, NF or ICF/MR (for up to 90 days), the post-eligibility calculation shall be performed as if the individual is continuing to receive HCBS. The purpose is to ensure that the individual can maintain a community residence for transition back to the community. After 90 days, or as soon as it appears that the inpatient stay will not be a short-term stay, whichever comes first, a CHOICES Group 2 or CHOICES Group 3 Member will be transitioned to CHOICES Group 1, or a waiver participant must be disenrolled from the waiver, and the institutional post-eligibility calculation shall apply.
- (e) Patient Liability shall be collected as follows:
1. If the Enrollee resides in a NF, ICF/MR, or CBRA facility (i.e., an ACLF or Critical Adult Care Home), the Enrollee must pay his Patient Liability to the residential facility. The facility shall reduce the amount billed to the Bureau or the MCO, as applicable, by the amount of the Enrollee's Patient Liability obligation, regardless of whether such amount is actually collected by the facility.
 2. If a CHOICES Group 2 Member does not reside in a CBRA facility, i.e., the Member is receiving HCBS (including Companion Care) in his own home, and for all CHOICES Group 3 members (who are not eligible to receive CBRA services), the Member must pay his Patient Liability to the MCO. The amount of Patient Liability collected will be used to offset the cost of CHOICES Group 2 or CHOICES Group 3 benefits or CEA services provided as an alternative to covered CHOICES Group 2 or CHOICES Group 3 benefits that were reimbursed by the MCO for that month. The amount of Patient Liability collected by the MCO cannot exceed the cost of CHOICES Group 2 or CHOICES Group 3 benefits (or CEA services provided as an alternative to CHOICES Group 2 or CHOICES Group 3 benefits) reimbursed by the MCO for that month.
- (f) A CHOICES provider, including an MCO, may decline to continue to provide LTSS to a CHOICES Member who fails to pay his Patient Liability. If other Contract Providers or the other TennCare MCO(s) operating in the Grand Division are unwilling to provide LTSS to a CHOICES Member who has failed to pay his Patient Liability, the Member may be disenrolled from the CHOICES program in accordance with the procedures set out in this Chapter.

(3) TPL for LTSS.

- (a) LTC insurance policies are considered TPL and the Bureau is subrogated to all rights of recovery.
 - (b) Applicants for the CHOICES program who have LTC insurance policies must report these policies to DHS upon enrollment in the CHOICES program. Applicants may be subject to criminal prosecution for knowingly providing incorrect information.
 - (c) Obligations of CHOICES Members receiving NF or CBRA services (other than Companion Care) having insurance that will pay for care in a NF or other residential facility (including cash benefits to the Member for the cost of such services):
 - 1. If the benefits are assignable, the Member must assign them to the NF or residential facility. These benefits will be used to reduce the amounts that the MCO would otherwise be required to pay the NF or the residential facility for LTSS.
 - 2. If the benefits are not assignable, the Member must provide payment to the NF or the residential facility immediately upon receipt of the benefits. These benefits will be used to reduce the amounts that the MCO would otherwise be required to pay the NF or the residential facility for LTSS.
 - (d) Obligations of CHOICES Members receiving non-residential CHOICES HCBS or Companion Care services having insurance that will pay for CHOICES HCBS (including cash benefits to the Member for the cost of such services):
 - 1. If the benefits are assignable, the Member must assign them to the MCO. These benefits will be used to reduce the amounts that the MCO would otherwise be required to pay for CHOICES HCBS for the Member.
 - 2. If the benefits are not assignable, the Member must make payment to the MCO immediately upon receipt of the benefits. These benefits will be used to reduce the amounts that the MCO would otherwise be required to pay for CHOICES HCBS for the Member.
 - (e) TPL payments do not reduce the amount of Patient Liability an Enrollee is obligated to contribute toward the cost of LTSS.
 - (f) If benefits received by the policyholder are not paid to the facility or MCO, as applicable, such benefits shall be considered income, and may render the person ineligible for TennCare (including LTSS) benefits.
- (4) Estate Recovery. Persons enrolled in TennCare LTSS programs are subject to the requirements of the FERP as set forth under Section 1917(b) of the Social Security Act, 42 U.S.C.A. § 1396p(b).
- (a) The State is required to seek adjustment or recovery for certain types of medical assistance from the estates of individuals as follows:
 - 1. For persons age fifty-five (55) and older, the State is obligated to seek adjustment or recovery for NF (including ICF/MR) services, HCBS, and related hospital and prescription drug services.
 - 2. For permanently institutionalized persons under age fifty-five (55), the State is obligated to seek adjustment or recovery for the institutional services.
 - (b) Estate recovery shall apply to the estates of individuals under age fifty-five (55) who are inpatients in a NF, ICF/MR, or other medical institution and who cannot reasonably be expected to be discharged home.
 - (c) A determination that an individual cannot reasonably be expected to be discharged to return home shall be made in accordance with the following.
 - 1. The PAE for LOC that is certified by the physician shall specify whether discharge is expected and the anticipated length of stay in the institution.

2. The following shall be deemed sufficient evidence that a person cannot reasonably be expected to be discharged to return home and is thus permanently institutionalized:
 - (i) An approved PAE certified by the physician indicating that discharge is not expected; or,
 - (ii) The continued stay of a resident of a medical institution at the end of a temporary stay predicted by his physician at the time of admission to be no longer than six (6) months in duration.
- (d) Written notice of the determination that the individual residing in a medical institution cannot reasonably be expected to be discharged to return home shall be issued to the individual or his Designated Correspondent. The notice shall explain the right to request a reconsideration review. Such request must be submitted in writing to the Bureau, Long-Term Services and Supports, within thirty (30) days of receipt of the written notice. The reconsideration review shall be conducted as a Commissioner's Administrative Hearing in the manner set out in Rule 1200-13-01-.10(7).

Statutory Authority: T.C.A. §§ 4-5-202, 4-5-203, 71-5-105 and 71-5-109.

Rule 1200-13-01-.10 Medical (Level of Care) Eligibility Criteria for Medicaid Reimbursement of Care in Nursing Facilities as amended by Emergency Rule 1200-13-01-.10 Medical (Level of Care) Eligibility Criteria for Medicaid Reimbursement of Care in Nursing Facilities is deleted in its entirety and replaced with Rulemaking Hearing Rule 1200-13-01-.10 which shall read as follows:

1200-13-01-.10 MEDICAL (LEVEL OF CARE) ELIGIBILITY CRITERIA FOR TENNCARE REIMBURSEMENT OF CARE IN NURSING FACILITIES, CHOICES HCBS AND PACE.

- (1) Definitions. See Rule 1200-13-01-.02.
- (2) PreAdmission Evaluations and Discharge/Transfer/Hospice Forms.
 - (a) A PAE is required in the following circumstances:
 1. When a TennCare Eligible is admitted to a NF for receipt of TennCare-reimbursed NF Services.
 2. When a private-paying resident of a NF attains TennCare Eligible status.
 3. When Medicare reimbursement for SNF services has ended and TennCare Level 2 reimbursement for NF services is requested.
 4. When a NF Eligible is changed from TennCare Level 1 to TennCare Level 2 reimbursement, or from TennCare Level 1 or Level 2 reimbursement to a Chronic Ventilator or Tracheal Suctioning Enhanced Respiratory Care rate, except as specified in Rule 1200-13-01-.10(5)(f).
 5. When a NF Eligible is changed from TennCare Level 2 reimbursement or an Enhanced Respiratory Care rate to TennCare Level 1 reimbursement, unless the person has an approved unexpired Level 1 PAE.
 6. When a NF Eligible is changed from an Enhanced Respiratory Care rate to TennCare Level 2 reimbursement, unless the person has an approved unexpired Level 2 PAE.
 7. When a NF Eligible requires continuation of the same LOC beyond the expiration date assigned by the Bureau.
 8. When a NF Eligible no longer requires the specific skilled nursing or rehabilitative services for which a Level 2 PAE was approved but requires other skilled nursing or rehabilitative services for which Level 2 reimbursement may be authorized in a NF.

9. When a Member enrolled in CHOICES Group 1 or Group 2 on or after July 1, 2012, no longer meets NF LOC and wants to enroll in CHOICES Group 3 for HCBS.
 10. When a Member enrolled in CHOICES Group 3 (including Interim CHOICES Group 3) on or after July 1, 2012, wants to enroll in CHOICES Group 1 or 2.
- (b) NFs are required to complete and submit to the Member's MCO a Discharge/Transfer/Hospice Form any time a Member discharges from the facility or stops receiving NF services in the facility, which shall include but is not limited to the following circumstances:
1. When a CHOICES Member transfers from one NF to another such facility.
 2. When a CHOICES Member discharges to the hospital (even when readmission to the NF is expected following the hospital stay).
 3. When a CHOICES Member elects to receive hospice services (even if Medicare will be responsible for payment of the hospice benefit).
 4. When a CHOICES Member discharges home, with or without HCBS. In this case, the NF is obligated to notify the MCO before the Member is discharged from the facility and to coordinate with the MCO in discharge planning in order to ensure that any home and community based services needed by the Member will be available upon discharge, and to avoid a lapse in CHOICES and/or TennCare eligibility.
 5. Upon the death of a CHOICES Member.
- (c) A PreAdmission Evaluation is not required in the following circumstances:
1. When a NF Eligible with an approved unexpired Level 1 PAE returns to the NF after being hospitalized.
 2. When a NF Eligible with an approved unexpired Level 2 PAE returns to the NF after being hospitalized, if there has been no change in the skilled nursing or rehabilitative service for which the PAE was approved.
 3. When a NF Eligible changes from Level 2 to Level 1 NF reimbursement and has an approved unexpired Level 1 PAE.
 4. To receive Medicaid co-payment when Medicare is the primary payer of SNF care.
 5. When a Discharge/Transfer/Hospice Form is appropriate in accordance with (2)(b).
 6. For authorization by an MCO of Ventilator Weaning services or short-term payment at the Tracheal Suctioning Enhanced Respiratory Care rate for a person who has just been weaned from the ventilator, but who still requires short-term intensive respiratory intervention. Medical necessity determinations and authorization of Ventilator Weaning services and short-term payment at the Tracheal Suctioning Enhanced Respiratory Care rate during the post-weaning period will be managed by the person's MCO.
 7. When a person will be receiving hospice services in the NF.
- (d) If a NF admits or allows continued stay of a TennCare Eligible without an approved PAE, it does so at its own risk and in such event the NF shall give the Applicant a plain language written notice, in a format approved by the Bureau, that Medicaid reimbursement will not be paid unless the PAE is approved and if it is not finally approved the Applicant can be held financially liable for services provided, including services delivered prior to the effective date of the PAE and enrollment in CHOICES Group 1, unless a third party is liable.
- (e) Except as specified in 1200-13-01-.10(2)(e)2., an approved PAE is valid for ninety (90) calendar days beginning with the PAE Approval Date, unless an earlier expiration date has been established by TennCare (see 1200-13-01-.10(2)(h)). A valid approved PAE that has not been used within ninety

(90) calendar days of the PAE Approval Date must be updated before it can be used. For purposes of Medicaid-reimbursed NF services, such update may be completed only upon submission of a confirmed Medicaid Only Payer Date. To update the PAE, the physician (in the case of NF services) or a Qualified Assessor (in the case of HCBS) shall certify that the Applicant's medical condition on the revised PAE Request Date is consistent with that described in the initial certification and/or assessment and that NF services, or alternative HCBS, as applicable, are medically necessary for the Applicant. If the Applicant's medical condition has significantly changed such that the previously approved PAE does not reasonably reflect the Applicant's current medical condition and functional capabilities, a new PAE shall be required.

1. A PAE that is not used within 365 days of the PAE Approval Date shall expire and shall not be updated.
2. A PAE shall also expire upon the person's discharge from a NF, unless:
 - (i) The person transfers to another NF.
 - (ii) The person is discharged to the hospital and returns directly to the NF or to another NF.
 - (iii) The person is discharged home for therapeutic leave and returns to the NF within no more than ten (10) days.
 - (iv) The person is discharged home and a request to transition to CHOICES Group 2 is submitted by the MCO and approved by TennCare prior to the person's discharge from the NF.
3. For persons electing hospice:
 - (i) If a person receiving NF services elects to receive hospice, is disenrolled from CHOICES Group 1, and subsequently withdraws the hospice election and wishes to re-enroll in CHOICES Group 1, the approved PAE may be used so long as:
 - (I) the person has remained in the NF;
 - (II) the person's condition has not changed;
 - (III) no more than thirty (30) days have lapsed since the person's disenrollment from CHOICES Group 1; and
 - (IV) NF LOC criteria have not changed.
 - (ii) If the person's condition has changed or if more than thirty (30) days have lapsed since the person's disenrollment from CHOICES Group 1, a new PAE shall be required.
 - (iii) If the PAE effective date was prior to July 1, 2012, a new PAE must be submitted and the person must qualify based on the new NF LOC criteria in place as of July 1, 2012.
- (f) A PAE must include a recent history and physical or current medical records that support the Applicant's functional and/or skilled nursing or rehabilitative needs, as reflected in the PAE. A history and physical performed within 365 calendar days of the PAE Request Date may be used if the Applicant's condition has not significantly changed. Medical records (progress notes, office records, discharge summaries, etc.) may be used to supplement a history and physical and provide current medical information if changes have occurred since the history and physical was performed, or may be used in lieu of a history and physical, so long as the records provide medical evidence sufficient to support the functional and/or skilled or rehabilitative needs reflected in the PAE.
- (g) A PAE must be certified as follows:
 1. Physician certification shall be required for reimbursement of NF services and enrollment into CHOICES Group 1. Consistent with requirements pertaining to certification of the need for SNF care set forth at 42 CFR § 424.20 and in Section 3108 of the Affordable Care Act, certification of

the need for NF care may be performed by a nurse practitioner, clinical nurse specialist, or physician assistant, none of whom has a direct or indirect employment relationship with the facility but who is working in collaboration with a physician.

2. Certification of the level of care assessment by a Qualified Assessor shall be required for all PAEs.
- (h) A PAE may be approved by the Bureau for a fixed period of time with an expiration date based on an assessment by the Bureau of the Applicant's medical condition and anticipated continuing need for inpatient nursing care. Notice of appeal rights shall be provided when a PAE is approved with an expiration date.
- (i) PASRR.
 1. All Applicants who reside in or seek admission to a Medicaid-certified NF must have a PASRR Level I screen for mental illness and mental retardation. The initial Level I screen must be completed prior to admission to the NF and submitted to TennCare regardless of:
 - (i) payer source;
 - (ii) whether the PASRR screening is positive or negative (including specified exemptions); and
 - (iii) the level of NF reimbursement requested.
 2. If the Level I screen indicates the need for a PASRR Level II evaluation of need for specialized services for mental illness and/or mental retardation, the Applicant must undergo the PASRR Level II evaluation prior to admission to the NF.
- (j) Medicaid payment will not be available for any dates of NF services rendered prior to the date the PASRR process is complete and the Applicant has been determined appropriate for nursing home placement. The PASRR process is complete when either:
 1. TennCare has received a negative Level I PASRR screen form and no contradictory information is subsequently received; or
 2. For Applicants with a positive Level I PASRR screen (as submitted or upon review and determination by the Bureau), the Bureau has received a certified exemption or advance categorical determination signed by the physician; or a determination by DMH and/or DIDD, as applicable, that the Applicant is appropriate for NF placement. Determination by the Bureau that a Level II PASRR evaluation must be performed may be made:
 - (i) Upon receipt of a positive PASRR screen from the NF or other submitting entity;
 - (ii) Based on TennCare review of a negative PASRR screening form or history and physical submitted by a NF or other entity; or
 - (iii) Upon review of any contradictory information submitted in the PAE application or supporting documentation at any time prior to disposition of the PAE.
- (k) A NF that has entered into a provider agreement with a TennCare MCO shall assist a NF resident or Applicant as follows:
 1. The NF shall assist a NF resident or an Applicant for admission in applying for Medicaid eligibility and in applying for Medicaid-reimbursed NF care. This shall include assistance in properly completing all necessary paperwork and in providing relevant NF documentation to support the PAE. For Applicants not currently eligible for Medicaid, the NF may request assistance from the AAAD in completing the Medicaid application process in order to expedite the eligibility determination by DHS. Reasonable accommodations shall be made for an Applicant with disabilities or, alternatively, for a Designated Correspondent with disabilities when assistance is needed with the proper completion and submission of a PAE.

2. The NF shall request a Notice of Disposition or Change from the Department of Human Services upon learning that a resident or Applicant has, or is likely to have, applied for Medicaid eligibility.
- (l) The Bureau shall process PAEs independently of determinations of Medicaid eligibility by DHS; however, Medicaid reimbursement for NF care shall not be available until the PASRR process has been completed, and both the PAE and financial eligibility have been approved.
- (3) Medicaid Reimbursement.
- (a) A NF that has entered into a provider agreement with a TennCare MCO is entitled to receive Medicaid reimbursement for covered services provided to a NF Eligible if:
1. The NF has completed the PASRR process as described in 1200-13-01-.10(2)(i) above and pursuant to 1200-13-01-.23.
 2. The Bureau has received an approvable PAE for the person within ten (10) calendar days of the PAE Request Date or the physician certification date, whichever is earlier. The PAE Approval Date shall not be more than ten (10) days prior to date of submission of an approvable PAE. An approvable PAE is one in which any deficiencies in the submitted application are cured prior to disposition of the PAE.
 3. The NF has entered into the TennCare PreAdmission Evaluation System (TPAES) a Medicaid Only Payer Date.
 4. The person has been enrolled into CHOICES Group 1.
 5. For a retroactive eligibility determination, the Bureau has received a Notice of Disposition or Change and has received an approvable request to update an approved, unexpired PAE within thirty (30) calendar days of the mailing date of the Notice of Disposition or Change, so long as the person has remained in a NF since the PAE was completed (except for short-term hospitalization). The effective date of payment for NF services shall not be earlier than the PAE Approval Date of the original approved, unexpired PAE that has been updated.
 6. If the NF participates in the Enrollee's MCO, reimbursement will be made by the MCO to the NF as a Network Provider. If the NF does not participate in the Enrollee's MCO, reimbursement will be made by the MCO to the NF as a non-participating provider, in accordance with Rule 1200-13-01-.05(10).
- (b) Any deficiencies in a submitted PAE application must be cured prior to disposition of the PAE to preserve the PAE submission date for payment purposes.
1. Deficiencies cured after the PAE is denied but within thirty (30) days of the original PAE submission date will be processed as a new application, with reconsideration of the earlier denial based on the record as a whole (including both the original denied application and the additional information submitted). If approved, the effective date of PAE approval can be no more than ten (10) days prior to the date of receipt of the information which cured the original deficiencies in the denied PAE. Payment will not be retroactive back to the date the deficient application was received or to the date requested in the deficient application.
 2. Once a PAE has been denied, the original denied PAE application must be resubmitted along with any additional information which cures the deficiencies of the original application. Failure to include the original denied application may delay the availability of Medicaid reimbursement for NF services.
- (c) The earliest date of Medicaid reimbursement for care provided in a NF shall be the date that all of the following criteria are met:
1. Completion of the PASRR process, as described in 1200-13-01-.10(2)(i) above and pursuant to 1200-13-01-.23;
 2. The effective date of level of care eligibility as reflected by the PAE Approval Date;

3. The effective date of Medicaid eligibility;
 4. The date of admission to the NF; and
 5. The effective date of enrollment into CHOICES Group 1.
- (d) PAE Effective Dates pertaining to Advance Determinations for persons not enrolled in TennCare when the PAE is submitted:
1. An Advance Determination by TennCare that an Applicant not enrolled in TennCare at the time the PAE is submitted cannot be safely supported within the array of services and supports that would be available if the Applicant were enrolled in CHOICES Group 3, and approval of NF LOC, shall be effective for no more than thirty (30) days, pending a comprehensive assessment and POC developed by the MCO Care Coordinator once the Applicant is eligible for TennCare and enrolled in CHOICES Group 1 or 2.
 2. If TennCare determines that an Advance Determination cannot be approved for an Applicant already admitted to a NF who is not enrolled in TennCare at the time the PAE is submitted, but upon enrollment into CHOICES Group 3 and receipt of comprehensive documentation submitted by the MCO, determines that the Applicant's needs cannot be safely and appropriately met in the community with the array of services and supports available in CHOICES Group 3, enrollment in CHOICES Group 3 will be terminated pursuant to 1200-13-01-.05(5)(b), and NF LOC will be approved. In such case, the effective date of NF LOC and, subject to requirements set forth in TennCare Rule 1200-13-01-.05(4)(a), enrollment into CHOICES Group 1 will be the date that NF LOC would have been effective had an Advance Determination been approved.
- (e) Application of new LOC criteria. The new LOC criteria set forth in 1200-13-01-.10(4) shall be applied to all Applicants enrolled into CHOICES on or after July 1, 2012, based on their effective date of enrollment into the CHOICES program.
1. It is the date of enrollment into CHOICES and not the date of PAE submission, approval, or the PAE effective date which determines the LOC criteria that must be applied.
 2. TennCare may review a PAE that had been reviewed and approved based on the NF LOC criteria in place as of June 30, 2012, to determine whether an Applicant who will be enrolled into CHOICES on or after July 1, 2012, meets the new LOC criteria. However, all Applicants enrolled into CHOICES with an effective date of enrollment on or after July 1, 2012, shall meet the criteria in place at the time of enrollment, and in accordance with these rules.
- (f) A NF that has entered into a provider agreement with a TennCare MCO and that admits a TennCare Eligible without completion of the PASRR process and without an approved PAE does so without the assurance of Medicaid reimbursement.
- (g) TennCare reimbursement will only be made to a NF on behalf of the NF Eligible and not directly to the NF Eligible.
- (h) A NF that has entered into a provider agreement with a TennCare MCO shall admit persons on a first come, first served basis, except as otherwise permitted by State and federal laws and regulations.
- (4) Level of Care Criteria for Medicaid Level 1 Reimbursement of Care in a Nursing Facility, CHOICES HCBS and PACE.
- (a) The NF must have completed the PASRR process, as applicable and as described in 1200-13-01-.10(2)(i) above and pursuant to 1200-13-01-.23.
 - (b) An Applicant must meet both of the following LOC criteria in order to be approved for TennCare-reimbursed care in a NF, CHOICES HCBS or PACE, as applicable:
 1. Medical Necessity of Care:

- (i) Applicants requesting TennCare-reimbursed NF care. Care in a NF must be expected to improve or ameliorate the Applicant's physical or mental condition, to prevent a deterioration in health status, or to delay progression of a disease or disability, and such care must be ordered and supervised by a physician on an ongoing basis.
- (ii) Applicants requesting HCBS in CHOICES or PACE. HCBS must be required in order to allow the Applicant to continue living safely in the home or community-based setting and to prevent or delay placement in a NF, and such HCBS must be specified in an approved plan of care and needed on an ongoing basis.
 - (I) The need for one-time CHOICES HCBS is not sufficient to meet medical necessity of care for HCBS.
 - (II) If a Member's ongoing need for assistance with activities of daily living and/or instrumental activities of daily living can be met, as determined through the needs assessment and care planning processes, through the provision of assistance by family members and/or other caregivers, or through the receipt of services available to the Member through community resources (e.g., Meals on Wheels) or other payer sources (e.g., Medicare), the Member does not require HCBS in order to continue living safely in the home and community-based setting and to prevent or delay placement in a NF.

2. Need for Inpatient Nursing Care:

- (i) Applicants requesting TennCare-reimbursed NF care.

The Applicant must have a physical or mental condition, disability, or impairment that, as a practical matter, requires daily inpatient nursing care. The Applicant must be unable to self-perform needed nursing care and must meet one (1) or more of the following criteria on an ongoing basis:

- (I) Have a total score of at least nine (9) on the TennCare NF LOC Acuity Scale; or
- (II) Meet one or more of the ADL or related criteria specified in 1200-13-01-.10(4)(b)(2)(iii) on an ongoing basis and be determined by TennCare to not qualify for enrollment in CHOICES Group 3 (see TennCare Rule 1200-13-01-.05).

- (ii) Applicants eligible to receive care in a NF, but requesting HCBS in CHOICES Group 2 or PACE.

The Applicant must have a physical or mental condition, disability, or impairment that requires ongoing supervision and/or assistance with activities of daily living in the home or community setting. In the absence of ongoing CHOICES HCBS or PACE, the Applicant would require and must qualify to receive NF services in order to remain eligible for HCBS. The Applicant must be unable to self-perform needed nursing care and must meet one (1) or more of the following criteria on an ongoing basis:

- (I) Have a total score of at least nine (9) on the TennCare NF LOC Acuity Scale; or
- (II) Meet one (1) or more of the ADL or related criteria specified in 1200-13-01-.10(4)(b)(2)(iii) on an ongoing basis and be determined by TennCare to not qualify for enrollment in CHOICES Group 3 (see TennCare Rule 1200-13-01-.05).

- (iii) Applicants not eligible to receive care in a NF, but at risk of NF placement and requesting HCBS in CHOICES Group 3, including Interim CHOICES Group 3. The Applicant must have a physical or mental condition, disability, or impairment that requires ongoing supervision and/or assistance with activities of daily living in the home or community setting. In the absence of ongoing CHOICES HCBS, the Applicant would not be able to live safely in the community and would be at risk of NF placement. The following criteria shall reflect the individual's Applicant's capabilities on an ongoing basis and not isolated, exceptional, or infrequent limitations of function in a generally independent person who is able to function

with minimal supervision or assistance. The Applicant must be unable to self-perform needed nursing care and must meet one (1) or more of the following criteria on an ongoing basis:

- (I) Transfer. The Applicant is incapable of transfer to and from bed, chair, or toilet unless physical assistance is provided by others on an ongoing basis (daily or at least four days per week).
 - (II) Mobility. The Applicant requires physical assistance from another person for mobility on an ongoing basis (daily or at least four days per week). Mobility is defined as the ability to walk, using mobility aids such as a walker, crutch, or cane if required, or the ability to use a wheelchair if walking is not feasible. The need for a wheelchair, walker, crutch, cane, or other mobility aid shall not by itself be considered to meet this requirement.
 - (III) Eating. The Applicant requires gastrostomy tube feedings or physical assistance from another person to place food/drink into the mouth (daily or at least four days per week). Food preparation, tray set-up, and assistance in cutting up foods shall not be considered to meet this requirement.
 - (IV) Toileting. The Applicant requires physical assistance from another person to use the toilet or to perform incontinence care, ostomy care, or indwelling catheter care on an ongoing basis (daily or at least four days per week).
 - (V) Expressive and Receptive Communication. The Applicant is incapable of reliably communicating basic needs and wants (e.g., need for assistance with toileting; presence of pain) using verbal or written language; or the Applicant is incapable of understanding and following very simple instructions and commands (e.g., how to perform or complete basic activities of daily living such as dressing or bathing) without continual intervention (daily or at least four days per week).
 - (VI) Orientation. The Applicant is disoriented to person (e.g., fails to remember own name, or recognize immediate family members) or is disoriented to place (e.g., does not know residence is a NF) daily or at least four days per week.
 - (VII) Medication Administration. The Applicant is not mentally or physically capable of self-administering prescribed medications (daily or at least four days per week) despite the availability of limited assistance from another person. Limited assistance includes, but is not limited to, reminding when to take medications, encouragement to take, reading medication labels, opening bottles, handing to Applicant, and reassurance of the correct dose.
 - (VIII) Behavior. The Applicant requires persistent intervention (daily or at least four days per week) due to an established and persistent pattern of dementia-related behavioral problems (e.g., aggressive physical behavior, disrobing, or repetitive elopement).
 - (IX) Skilled Nursing or Rehabilitative Services. The Applicant requires daily skilled nursing or rehabilitative services at a greater frequency, duration, or intensity than, for practical purposes, would be provided through a daily home health visit.
- (c) For continued TennCare reimbursement of care in a NF, a Member must continue to be financially eligible for TennCare reimbursement for NF care and must continue to meet NF LOC (including medical necessity of care and the need for inpatient care) in place at the time of enrollment into CHOICES Group 1.
 - (d) A NF Eligible admitted to a NF and enrolled in CHOICES Group 1 prior to July 1, 2012, who continues to meet the LOC criteria in place at the time of enrollment into CHOICES Group 1 shall continue to meet NF LOC for purposes of enrolling in CHOICES Group 2, subject to requirements set forth in 1200-13-01-.05(3) and 1200-13-01-.05(4).

- (e) A NF Eligible receiving HCBS in CHOICES Group 2 prior to July 1, 2012, shall be required to meet the NF LOC in place as of July 1, 2012, in order to qualify for Medicaid-reimbursed NF care unless TennCare determines that the Member's needs can no longer be safely and cost-effectively met in CHOICES Group 2.
- (5) Criteria for Medicaid Level 2 and Enhanced Respiratory Care Reimbursement of Care in a NF.
- (a) The NF must have completed the PASRR process as described in 1200-13-01-.10(2)(i) above and pursuant to 1200-13-01-.23.
 - (b) An Applicant must meet both of the following criteria in order to be approved for Medicaid Level 2 reimbursement of care in a NF:
 1. The Applicant must meet NF LOC as defined in 1200-13-01-.10(4) above.
 2. Need for Inpatient Skilled Nursing or Rehabilitative Services on a Daily Basis: The Applicant must have a physical or mental condition, disability, or impairment that requires skilled nursing or rehabilitative services on a daily basis or skilled rehabilitative services at least five days per week when skilled rehabilitative services constitute the primary basis for the approval of the PAE. The Applicant must require such services at a greater frequency, duration, or intensity than, for practical purposes, would be provided through a daily home health visit. In addition, the Applicant must be mentally or physically unable to perform the needed skilled services or the Applicant must require skilled services which, in accordance with accepted medical practice, are not usually and customarily self-performed. For interpretation of this rule, the following shall apply:
 - (i) Administration of oral medications, ophthalmics, otics, inhalers, subcutaneous injections (e.g., fixed-dose insulin, subtherapeutic heparin, and calcitonin), topicals, suppositories, nebulizer treatments, oxygen administration, shall not, in and of itself, be considered sufficient to meet the requirement of (5)(b)2.
 - (ii) Nursing observation and assessment, in and of itself, shall not be considered sufficient to meet the requirement of (5)(b)2. Examples of nursing services for which Level 2 reimbursement might be provided include, but are not limited to, the following:
 - (I) Gastrostomy tube feeding
 - (II) Sterile dressings for Stage 3 or 4 pressure sores
 - (III) Total parenteral nutrition
 - (IV) Intravenous fluid administration
 - (V) Nasopharyngeal and tracheostomy suctioning
 - (VI) Ventilator services
 - (iii) A skilled rehabilitative service must be expected to improve the Applicant's condition. Restorative and maintenance nursing procedures (e.g., routine range of motion exercises; stand-by assistance during ambulation; applications of splints/braces by nurses and nurses aides) shall not be considered sufficient to fulfill the requirement of (5)(b)2. Factors to be considered in the decision as to whether a rehabilitative service meets, or continues to meet, the requirement of (5)(b)2. shall include, but not be limited to, an assessment of the type of therapy and its frequency, the remoteness of the injury or impairment, and the reasonable potential for improvement in the Applicant's functional capabilities or medical condition.
 - (iv) Effective July 1, 2012, level 2 NF reimbursement for sliding scale insulin may be authorized for an initial period of no more than two (2) weeks for Applicants with unstable blood glucose levels that require daily monitoring and administration of sliding scale insulin. Approval of such reimbursement will require a physician's order and supporting documentation including a plan of care for stabilizing the Applicant's blood sugar and

transitioning to fixed dosing during the approval period. Additional periods of no more than two (2) weeks per period, not to exceed a maximum total of sixty (60) days, may be authorized upon submission of a new PAE and only with a physician's order and detailed explanation regarding why previous efforts to stabilize and transition to fixed dosing were not successful.

- (d) In order to be approved for TennCare-reimbursed care in a NF at the Chronic Ventilator rate of reimbursement, an Applicant must be ventilator dependent for at least 12 hours each day with an invasive patient end of the circuit (i.e., tracheostomy cannula).
 - (e) In order to be approved by the Bureau for TennCare-reimbursed care in a NF at the Tracheal Suctioning rate of reimbursement, an Applicant must have a functioning tracheostomy and require suctioning through the tracheostomy, at a minimum, multiple times per eight (8) hour shift. The suctioning must be required to remove excess secretions and/or aspirate from the trachea, which cannot be removed by the Applicant's spontaneous effort. Suctioning of the nasal or oral cavity does not qualify for this higher level of reimbursement. An MCO may authorize, based on medical necessity, short-term payment at the Tracheal Suctioning Enhanced Respiratory Care rate for a person who has just been weaned from the ventilator, but who still requires short-term intensive respiratory intervention during the post-weaning period.
 - (f) Determination of medical necessity and authorization for TennCare reimbursement of Ventilator Weaning services, or short-term payment at the Tracheal Suctioning Enhanced Respiratory Care rate for a person who has just been weaned from the ventilator, but who still requires short-term intensive respiratory intervention shall be managed by the Enrollee's MCO.
- (6) TennCare Nursing Facility Level of Care Acuity Scale.
- (a) Effective July 1, 2012, for all new enrollments into CHOICES Groups 1 and 2, level of care (LOC) eligibility for TennCare-reimbursement of NF services shall be based on an assessment of the following measures:
 - 1. The Applicant's need for assistance with the following Activities of Daily Living (ADLs):
 - (i) Transfer;
 - (ii) Mobility;
 - (iii) Eating; and
 - (iv) Toileting.
 - 2. The Applicant's level of independence (or deficiency) in the following ADL-related functions:
 - (i) Communication (expressive and receptive);
 - (ii) Orientation (to person and place);
 - (iii) Dementia-related behaviors; and
 - (iv) Self-administration of medications.
 - 3. The Applicant's need for certain skilled and/or rehabilitative services.
 - (b) One or more questions on the PAE for NF LOC shall be used to assess each of the ADL or related measures specified above. There are four (4) possible responses to each question.
 - (c) Weighted Values.
 - 1. Interpretation of possible responses for all measures except behavior:

- (i) "Always" shall mean that the Applicant is always independent with that ADL or related activity.
 - (ii) "Usually" shall mean that the Applicant is usually independent (requiring assistance fewer than 4 days per week).
 - (iii) "Usually not" shall mean that the Applicant is usually not independent (requiring assistance 4 or more days per week).
 - (iv) "Never" means that the Applicant is never independent with that ADL or related activity.
2. Interpretation of possible responses for the behavior measure:
- (i) "Always" shall mean that the Applicant always requires intervention for dementia-related behaviors.
 - (ii) "Usually" shall mean that the Applicant requires intervention for dementia-related behaviors 4 or more days per week.
 - (iii) "Usually not" shall mean that the Applicant requires intervention for dementia-related behaviors, but fewer than 4 days per week.
 - (iv) "Never" shall mean that the Applicant does not have dementia-related behaviors that require intervention.
3. The weighted value of each of the potential responses to a question regarding the ADL or related functions specified above when supported by the medical evidence submitted with the PAE shall be as follows:

ADL (or related) question	Condition	Always	Usually	Usually not	Never	Maximum Individual Acuity Score	Maximum Acuity Score for the Measure(s)

4. The weighted value for each of the skilled and/or rehabilitative services for which level 2 or enhanced respiratory care NF reimbursement could be authorized when determined by TennCare to be needed by the Applicant on a daily basis or at least five days per week for rehabilitative services, based on the medical evidence submitted with the PAE shall be as follows:

5. Conditions.

(i) Maximum Acuity Score for Transfer and Mobility:

- (I) Assessment of the need for assistance with transfer and the need for assistance with mobility are separate but overlapping measures of an Applicant's physical independence (or dependence) with movement.
- (II) The maximum individual acuity score for transfer shall be four (4).
- (III) The maximum individual acuity score for mobility shall be three (3).
- (IV) The highest individual acuity score among the transfer and mobility measures shall be the Applicant's total acuity score across both measures.
- (V) The maximum acuity score across both of the transfer and mobility measures shall be four (4).

(ii) Maximum Acuity Score for Toileting:

- (I) Assessment of the need for assistance with toileting shall include the following:
 - I. An assessment of the Applicant's need for assistance with toileting;
 - II. Whether the Applicant is incontinent, and if so, the degree to which the Applicant is independent in incontinence care; and
 - III. Whether the Applicant requires a catheter and/or ostomy, and if so, the degree to which the Applicant is independent with catheter and/or ostomy care.
- (II) The highest individual acuity score among each of the three (3) toileting questions shall be the Applicant's total acuity score for the toileting measure.

(III) The maximum acuity score for toileting shall be two (2).

(I) Assessment of the Applicant's level of independence (or deficiency) with communication shall include an assessment of expressive as well as receptive communication.

(II) The highest individual acuity score across each of the two (2) communication questions shall be the Applicant's total score for the communication measure.

(III) The maximum possible acuity score for communication shall be one (1).

(iv) Maximum Acuity Score for Self-Administration of Medication:

(I) Assessment of the Applicant's level of independence (or deficiency) with self-administration of medications as an ADL-related function shall not take into consideration whether the Applicant requires sliding scale insulin and the Applicant's level of independence in self-administering sliding scale insulin.

(II) Sliding scale insulin shall be considered along with other skilled and/or rehabilitative services for which TennCare could authorize level 2 NF reimbursement.

(III) The maximum individual acuity score for self-administration of medication shall be two (2).

(IV) The maximum individual acuity score for sliding scale insulin shall be one (1).

(e) Calculating an Applicant's Total Acuity Score.

1. Subject to the conditions set forth in 1200-13-01-.10(6)(c)(5), an Applicant's acuity score for each functional measure (i.e., eating, toileting, orientation, communication, self-administration of medication, or behavior), or in the case of transfer and mobility, the Applicant's acuity score across both measures shall be added in order to determine the Applicant's total ADL or related acuity score (up to a maximum of 21).

2. The Applicant's total ADL or related acuity score shall then be added to the Applicant's skilled services acuity score (up to a maximum of 5) in order to determine the Applicant's total acuity score (up to a maximum of 26).

(7) PreAdmission Evaluation Denials and Appeal Rights.

- (a) A TennCare Eligible or the legal representative of the TennCare Eligible has the right to appeal the denial of a PAE and to request an Administrative Hearing by submitting a written letter of appeal to the Bureau of TennCare, Division of Long-Term Services and Supports, within thirty (30) calendar days of receipt of the notice of denial.
- (b) If the Bureau denies a PAE, the Applicant will be notified in the following manner:
 - 1. A written Notice of denial shall be sent to the Applicant and, where applicable, to the Designated Correspondent. A Notice of denial shall also be provided to the NF. This notice shall advise the Applicant of the right to appeal the denial decision within thirty (30) calendar days. The notice shall also advise the Applicant of the right to submit within thirty (30) calendar days either the original PAE with additional information for review or a new PAE. The Notice shall be mailed to the Applicant's address as it appears upon the PAE. If no address appears on the PAE and supporting documentation, the Notice will be mailed to the NF for forwarding to the Applicant.
 - 2. If the PAE is resubmitted with additional information for review or if a new PAE is submitted, and the Bureau continues to deny the PAE, another written notice of denial shall be sent as described in (7)(b)1.
- (c) The Applicant has the right to be represented at the hearing by anyone of his/her choice. The hearing will be conducted according to the provisions of the Tennessee Uniform Administrative Procedures Act.
- (d) Reasonable accommodations shall be made for Applicants with disabilities who require assistance with an appeal.
- (e) Any Notice required pursuant to this section shall be a plain language written Notice.
- (f) When a PAE is approved for a fixed period of time with an Expiration Date determined by the Bureau, the Applicant shall be provided with a Notice of appeal rights, including the opportunity to submit an appeal within thirty (30) calendar days of receipt of the notice of denial. Nothing in this section shall preclude the right of the Applicant to submit a new PAE establishing medical necessity of care when the Expiration Date has been reached.
